

Application Rollover Steps

If you submitted a 2018-19 application and your child was offered a place in the wait pool, you can rollover the application for the 2019-20 school year.

All application deadlines apply.

Additional information about admission requirements can be found within the "Applying to 2s,3s,4s", "Applying to Kindergarten-Grade 3", and "Applying to Grades 4-8" buttons.

Steps:

First, complete a new online application. Indicate that you have previously applied. In the supplemental questions only update your child's development, interests, and school experience (if applicable).

Application fee is waived. At the end of the application click on submit. Do not submit a payment.

Student visit will be scheduled.

Brief parent interview will be scheduled.

Submit a new teacher recommendation form (if applicable).

Submit a new school transcript (if applicable).

Submit updated ISEE test results (if applicable).
