

A Message from the Board of Trustees

Dear BHMS Community:

I am writing to ask for your thoughts and ideas about our school and future Head of School by completing an online survey.

Our consulting team from Carney Sandoe & Associates, Ralph Davison and Amanda Riegel, were on campus for two full days on June 4th and 5th to meet with faculty and staff, families, students, trustees, and administrators. During these meetings, Ralph and Amanda heard what is unique about our school, challenges for the future, and the qualities, characteristics and skills that we want in our next Head of School. A heartfelt GRACIAS to everyone that participated!

If you did not attend one of the open forums, or if you did but have more to say, do not fret! We have designed a [brief online survey](#) to give everyone (including those who attended!) a chance to participate at this early stage in the process.

The survey should only take 10-15 minutes to complete and will remain open for one week until 8:00am on Wednesday, June 13th. Responses are both confidential and anonymous and go directly to our consultants. They will then consolidate the feedback and return it to the Head Search Committee. We will use it to ensure we have considered all points of view from our key constituents.

On behalf of the Head Search Committee, I thank you for completing this important survey. If you would rather reach out to [Ralph](#) or [Amanda](#) directly, please feel free to do so. Make sure you check out our [Head of School Search](#) page on the BHMS website for the latest information!

With love and appreciation,
Teresita
